

TO ALL CURRENT AND PROSPECTIVE TRAINEE MEMBERS

RE: VALIDITY, RENEWAL AND ELIGIBILITY OF TRAINEE MEMBERSHIP

The Board of Directors of the Institute of Real Property Valuers of Rwanda (IRPV) wishes to inform all current and prospective Trainee Members of the requirements governing trainee membership and eligibility to sit for the Valuation Licensing Examination.

Validity of Trainee Membership

Trainee Membership with IRPV is valid for a period of two (2) years from the date of registration. Upon completion of the two-year trainee membership period, the Trainee Member is required to proceed with the applicable process for professional certification, in accordance with the requirements of IRPV.

Unsuccessful Licensing Examination Candidates

A Trainee Member who sits for the Valuation Licensing Examination and does not pass the examination may resit the examination, subject to meeting the applicable requirements. However, where the two-year trainee membership period has expired, the concerned person must renew his/her Trainee Membership with IRPV in order to remain eligible to resit the licensing examination.

Failure to Renew Trainee Membership

A person whose trainee membership has expired and who does not renew it is deemed to have ceased to be a Trainee Member of IRPV. Such a person shall not be eligible to sit for the Valuation Licensing Examination.

Annual Publication of the Trainee Members' Register

In the interest of transparency and proper administration of the professional licensing process, IRPV shall update and publish the list of Trainee Members annually on the official IRPV website.

Eligibility to Sit for the Licensing Examination

Only persons whose names appear on the current published list of IRPV Trainee Members shall be eligible to sit for the Valuation Licensing Examination. A person whose name does not appear on the published list shall not be permitted to sit for the examination.

All current and prospective Trainee Members are therefore advised to ensure that their membership status remains valid and that they comply with all applicable IRPV requirements within the prescribed timelines.

The Board of Directors encourages all Trainee Members to plan accordingly and maintain their membership in good standing throughout the period leading to professional certification.
